Jim, I should be here a bit before 8 a.m. in the morning. Just let me know what time is best for you. Thanks for the guidance.

Jeanni,

If you could visit with me for a moment to fill me in on some details, I will be glad to offer advice regarding the Sesko file you put on my desk. It appears that it is a health hazard, as opposed to a mere eyesore, and that assertive follow-up is justified.
